

FELLOWSHIP — CHURCH —

Regular People • Real God • Radical Purpose

MISSION

“We desire to live out the mission of Jesus by helping **regular people** encounter a **real God** and working with them to discover and live out their **radical purpose**.”

VISION

For the next three years, we will do this by:

-Training people to have meaningful gospel conversations

-Key result: Gospel fluency is high at all group levels (Connect, studies, etc)

-Inviting people into discipleship opportunities

-Key result: Discipleship is a high value in the home, the workplace, the school, etc.

-Helping them discover joy in serving God and others

-Key result: Serving is a high value at all group levels (being taught, modeled, etc.

-Developing Kingdom-minded leaders (both inside and outside the church)

-Key result - A leadership program has been developed, launched, and being utilized that:

-identifies potential leaders

-gives them opportunities to serve and grow in the church

-the effect of this is felt at all levels (elders, ministry leaders, etc)

CULTURAL VALUES OF FELLOWSHIP CHURCH

- Be a church that shows love to each other by exhibiting unity and humility.
- Be a church that serves each other, the community, and the world generously and compassionately.
- Be a church that speaks the truth boldly and lovingly to those both inside and outside the community of faith.
- Be a church that is committed to the health and development of individuals, marriages, and families.
- Be a church that encourages and provides multi-generational connections.
